

Animal Adaptation

Animals are brilliantly adapted to their environment.
Look carefully around the museum to collect adaptation evidence.

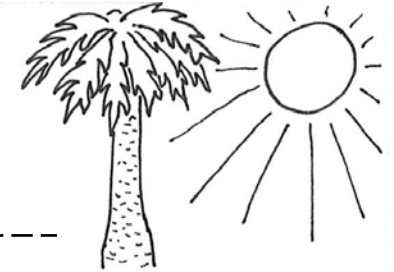

Can you find an animal that lives...

... in a **cold** place?

Draw it here!

... in a **hot** place?

Draw it here!

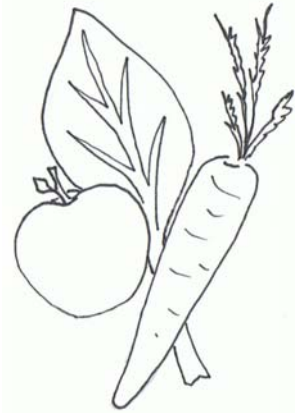

... in a **dark** place?

Draw it here!

Can you find an animal that ...

... eats plants?

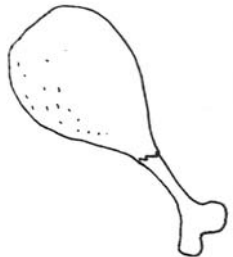

Draw it here!

... can fly?

Draw it here!

... eats meat?

Draw it here!

... can swim?

Draw it here!

Which is your **favourite** animal?

Why?

Describe it to a partner (but don't say its name!)

Can they **guess** which animal it is?
